

**REMARKS**

Claims 1-9 are pending in the application. Claims 1-9 are allowed. Claims 6-9 have been amended to correct their dependency

In Applicants' 2 February 2004 Reply, Applicants added new claims 3-9. Of those new claims, claims 5-9 were directed towards a cleaning composition, with claim 5 being the first time the cleaning composition was referred to. However, as indicated in Applicants' February Reply, claims 6, 8 and 9 depended from claim 4 and claim 7 depended from claim 5. Claims 6, 8 and 9 have now been amended to depend directly from claim 5, and claim 7, which is a further limitation of claim 6, has been amended to depend from claim 6. Accordingly, no new matter is introduced by these amendments.

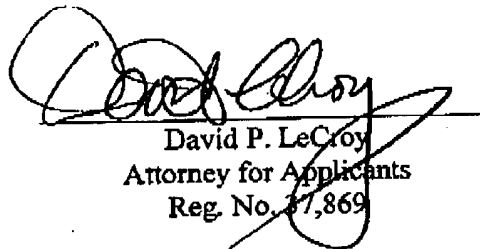

Based on the above amendments and remarks, allowance of the claims is believed to be in order, and such allowance is respectfully requested.

Respectfully submitted,

Dated: 16 May 2004
